

User Acceptance Test

Project Name: Trivia quiz

Service Owner: Ignazio Sotgiu

Project Manager: Ignazio Sotgiu

1. UAT Scope (In Scope – Out of Scope)

UAT - In Scope	UAT - Out of Scope
Implemented features User stories Strategy plan feasible features	Future features

2. UAT Assumptions and Constraints

UAT Assumptions

All bugs found had been solved
This is the final version of the product before deployment

UAT Constraints

Time frame: 2 days

Resources:

- Human resources: 1 tester
- Hardware: Acer Aspire, Samsung Galaxy Tablet, Android mobile
- Operating systems: windows 10, android
- Browser tested: Firefox, Chrome, Edge

3. UAT Risks

Description	Probability High Med Low	Impact High Med Low	Mitigation
Inexperienced tester	High	High	Created a bug report form to help the tester to describe the issue properly

4. UAT Team Roles & Responsibilities

Name	Roles	Responsibilities
Ignazio Sotgiu	Tester	Testing on: <ul style="list-style-type: none">• Chrome
